

MOUNT PLEASANT

EST. 1859

NORTH CAROLINA

**Regular Board Meeting
Tuesday, March 11, 2025
6:00 PM- Town Hall Commissioners Room**

Call to Order- Mayor Tony Laphis

Invocation- Pastor Earl Bradshaw from Mount Pleasant Methodist Church

Pledge of Allegiance- Mayor Tony Laphis

1. Public Forum

(Please state name, address and limit comments to 3 minutes or less)

2. Conflict of Interest

The Mayor and Commissioners are asked at this time to reveal if they have a Conflict of Interest with any item on the Agenda in order to be recused for that item.

(No member shall be excused from voting except upon matters involving the consideration of the member's own financial interest or official conduct or on matters on which the member is prohibited from voting under G.S. 14-234 or 160D-109(a). NC State Statute 160A-75 and no public official shall knowingly participate in making or administering a contract, including the award of money in the form of a grant, loan, or other appropriation, with any nonprofit with which that public official is associated. NC State Statute 14-234.3)

3. Approve Agenda (Pages 1-2)

4. Consent Agenda (Pages 3-12)

- A. Minutes February 11, 2025 (pages 3-8)
- B. Resolution Adopting the Cabarrus Stanly Union Regional Hazard Mitigation Plan (pages 9-10)
- C. Budget Amendment #10 WTP Leak under building (page 11)
- D. Resolution to open savings account for FD-Personnel Capital Reserve (page 12)

5. Staff Reports (Pages 13-30)

- A. Town Manager-Randy Holloway (page 13)
- B. Town Asst. Manager- Planning & Economic Development Director - Erin Burriss (pages 14-17)
- C. Town Clerk/Finance Officer - Amy Schueneman (pages 18-19)
- D. Human Resources/Events- Crystal Smith (page 20)
- E. Code Enforcement - Jim Sells (will be sent at later date)
- F. Public Works- Derek Linker (page 21)
- G. Fire Department-Dustin Sneed (page 22)
- H. Cabarrus County Sheriff's Department (pages 23-30)

6. Public Hearing (Page 31 and separate attachment)

- A. REZ 2025-01 McKenzie ETJ Removal**

TOWN OF MOUNT PLEASANT

An equal opportunity provider, employer, and lender.

8590 Park Drive | PO Box 787 | Mount Pleasant, NC 28124 | 704.436.9800 | mtpleasantnc.gov

7. Old Business (Pages 32-33)

A. Receive update on Water Treatment Issues. (page 32)

B. Receive an update concerning the Water Distribution Improvements Project and the Lower Adams Creek Sewer Outfall Project. (page 33)

8. New Business (Page 34-37)

A. Consider setting filing fees for the 2025 November Election (pages 34-37)

9. Adjournment

**Budget Workshop is scheduled for
Saturday, March 22, 2025 8am to Noon.**

All agenda items and attachments are considered public records.

If you would like a copy of the Agenda Packet, which includes all documents related to the Board meeting, please visit <https://mtpleasantnc.gov> and look under the Government Tab to see the packet, agenda, and prior Board Minutes

Closed Session minutes are unavailable until released by the Board and/or the Town Attorney.

MOUNT PLEASANT
EST. 1859
NORTH CAROLINA

**Board of Commissioners
Town Board Meeting Minutes
Tuesday, February 11, 2025 at 6:00 P.M.**

Attendance: Mayor Tony Lapis
Mayor Pro-Tem/Commissioner Lori Furr
Commissioner Chris Carter
Commissioner Steven Dixon
Commissioner William Meadows
Commissioner Justin Simpson
Town Administrator Randy Holloway
Town Attorney John Scarbrough
Town Clerk Amy Schueneman

Also Present: Erin Burris, Crystal Smith, Ally Schueneman, Rodney Schueneman, Deputy T. Beverly, Pastor David Snow, Chris Smith, and Deputy M. Arstark.

CALL TO ORDER

Mayor Tony Lapis called the meeting to order.

INVOCATION

Pastor David Snow of Community Church of Mount Pleasant led the Board in prayer.

PLEDGE OF ALLEGIANCE

Mayor Lapis led the Pledge of Allegiance.

1. Public Forum

No one spoke.

2. Conflict of Interest

The Mayor and Commissioners are asked at this time to reveal if they have a Conflict of Interest with any item on the Agenda in order to be recused for that item.

(No member shall be excused from voting except upon matters involving the consideration of the member's own financial interest or official conduct or on matters on which the member is prohibited from voting under G.S. 14-234 or 160D-109(a). NC State Statute 160A-75 and no public official shall knowingly participate in making or administering a contract, including the award of money in the form of a grant, loan, or other appropriation, with any nonprofit with which that public official is associated. NC State Statute 14-234.3)

No one had a conflict of interest.

3. Approve Agenda

Mayor Lapis added an item to Old Business:

C. Consider approving WesTech as a "sole source" supplier for materials and repairs to the Water Treatment Plant and the associated contract in the amount of \$611,136.

TOWN OF MOUNT PLEASANT

An equal opportunity provider, employer, and lender.

8590 Park Drive | PO Box 787 | Mount Pleasant, NC 28124 | 704.436.9800 | mtpleasantnc.gov

A motion to approve the amended Agenda was made by Commissioner Furr with a second by Commissioner Meadows. All Board Members were in favor. (5-0)

4. Consent Agenda

- A. Minutes January 14, 2025
- B. Records Purge List from January 28, 2025
- C. Proclamation for Black History Month

Commissioner Simpson made a motion to approve the Consent Agenda as submitted with a second by Commissioner Furr. All Board Members were in favor. (5-0)

5. Staff Reports

- A. Town Manager-Randy Holloway
- B. Town Asst. Manager- Planning & Economic Development Director - Erin Burriss
- C. Town Clerk/Finance Officer - Amy Schueneman
- D. Human Resources/Events- Crystal Smith
- E. Code Enforcement/Grant Writer- Jim Sells
- F. Public Works- Daniel Crowell
- G. Fire Department-Dustin Sneed
- H. Cabarrus County Sheriff's Department

6. Old Business

A. Receive update on Water Treatment Issues.

Randy Holloway relayed the good news that the State and Department of Environmental Quality (DEQ) came a few weeks ago to do the annual inspection of the Water Treatment Plant. DEQ was very pleased that all the suggestions given in the three-page report from last year were or are currently being addressed. This year's written report has not been received at this time.

During the update at the January 14th meeting, it was conveyed that the initial concern of the three engineering firms the Town is consulting with was the amount of water being stored in the water tanks. The longer the chlorinated water is in storage, the more time it reacts with dissolved organics in the water; however, for fire protection reasons, the storage tanks are a necessity. The plan agreed upon by the engineering firms is to lightly chlorinate the water enough to kill bacteria inside the Water Treatment Plant, then chlorinate again when the water comes back to ground storage tank with a new chlorination pump system just before it enters the distribution system including the North Drive water tank. The State is going to require the Town to do a CT (Contact Time) Study which evaluates the size of the ground storage tank, the water turnover, etc. to determine if chlorinating at the ground storage tank, which is at the end of the treatment system, will be enough time to properly chlorinate the water prior to entering the distribution system. There is an automatic system that can be installed in the ground storage tank to keep the water circulating and as it moves the water, it will be continuously sampling the water and automatically adjusting the chlorination amounts treating the water more effectively than manually treating the water. The estimated cost for this system is \$200,000, which can be covered by the \$1 million state grant. This would be in addition to WesTech (add-on item C to the agenda later in the meeting) replacing all filter media, settling tubes, etc. to bring the treatment system back to 100% efficiency for a fifty-year-old plant. The State and engineers are concerned that the Total Organic Compound (TOC's) and Dissolved Organic Compound (DOC's). The TOC's are materials that can be seen in the water and filtered out through the water treatment process. The DOC's can't be seen and are very difficult to remove without a carbon filtration system. *Mr. Holloway displayed an aerial photo of the water intake site on Dutch Buffalo Creek. The water coming into the intake pipe pulls across a low*

flowing area of the creek where sediment/muck buildups quickly instead of the faster moving water on the far side of the creek. Samples will be taken of both sides of the creek to see if the water across the creek contains fewer DOC's than on the intake side. If the opposite side of the creek contains fewer DOC's, it may be beneficial to run the intake pipe out further into the creek. The estimated cost for extending the pipe would be in the \$300,000-\$400,000 range.

The Board will be asked to approve the WesTech contract as the first step to improving water quality followed by moving the final chlorination point to the ground storage tank. Efforts are being made in phases to keep the cost for all the improvements within the \$1 million budget to avoid having to get a loan which would result in passing the cost along to residents with increased water rates. All possible options are being considered to keep the cost down.

Questions have been asked about the taste and odor of the water. The taste and odor are the result of heavy chlorination not dirt. The water is safe to drink and use. Chlorine is added to the water to make it safe to use. Residents can use water filter systems, if they choose to, to help reduce the chlorination taste and smell of the water if changed on a regular basis. A letter will be going out in the water bill to inform customers that the latest water samples are still not compliant with the recommended range. Also in the letter, Town Hall meetings will be announced for March 17th and 31st at 6pm with locations to be determined where residents can attend to hear what the Town is doing to correct the problem and expression their concerns. Town Staff will do the presentation/slide show along with the Town Engineer.

No action was taken. Information only.

Town Manager asked to move Add-on item C to the next agenda item as a continuation of A.

Add-On C. Consider approving WesTech as a “sole source” supplier for materials and repairs to the Water Treatment Plant and the associated contract in the amount of \$611,136.

Last month the Board was informed that Wes Tech provided a quote for \$346,110 to rebuild the interior workings of the water system. Staff noticed after the meeting at the top of the quote it stated for one basin, not both. Staff asked WesTech to redo the quote to include both basins being retrofitted at the same time, instead of completing one and returning later to do the other, to save on staging cost of multiple trips. This is not WesTech's normal practice, so they did not quote it that way originally since most water treatment plants need to keep operating during the replacement process. Because of the 12" water connection with the City of Concord on Hwy 73 at Cold Springs Road, the water treatment plant should be able to shut down and water continue to flow through the system. The Town will have to test the connection prior to WesTech arriving and pay Concord for the cost of the water during the repairs. Concord charges \$2.00/1,000 gallons of water more than the Town charges customers and will be covered with the State grant. Once the contract is signed it will be 12-14 weeks for build out before the repairs are made. When complete everything inside the basins will have been removed and replaced with food grade stainless steel parts and filter media.

The new quote for \$611,136 saves \$81,084 by retrofitting both basins at the same time and will be the first step to improve the water quality. The Town Engineer is still negotiating the price. This amount exceeds what is normally allowed for an informal bid contract (under \$500,000). However, § 143-129(e)(6)(ii) allows for “sole source” supplies, and this would qualify since WesTech is the original manufacturer and the only one with the original specifications that can custom build the materials to fit our system and provide the original type of filter media.

Sole-Source is defined in the General Statutes as § 143-129(e)(6) "Purchases of apparatus, supplies, materials, or equipment when: (i) performance or price competition for a product are not available; (ii) a needed product is available from only one source of supply; or (iii) standardization or compatibility is the overriding consideration.

Notwithstanding any other provision of this section, the governing board of a political subdivision of the State shall approve the purchases listed in the preceding sentence prior to the award of the contract."

All three engineering firms have agreed that replacing all the filter media and repairing the basins is the first step to improving the water quality. The second step is adding another chlorination point at the ground storage tank. If the first two steps do not correct the problem, an activated carbon system will be required, and it will be expensive. Town Staff met with local state legislators, Senator Paul Newton and Representative Brian Echevarria, this week to thank them for the money the State has already provided to the Town for projects and to request another \$4.5 million out of the next State budget, if available, to purchase a carbon filtration system. Senator Newton stated this year's State budget would be extremely tight, in part due to Hurricane Helene and the needs in the Western part of the state, but if funds are available, he would try to get the money for the Town of Mount Pleasant.

Commissioner Dixon asked how often the filter media should be replaced in the future. Mr. Holloway said in the past it has been a 15-year schedule, but it should change to at least every 10 years in the future. This will buy the Town the next 5 years to look at how to move forward with the water treatment plant and make some difficult decisions about where the Town is going. The water treatment facility needs to be replaced, and retrofitting the basins now will give the Town time to make those plans. Today it would cost an estimated \$20 million to replace the water plant facility and the dam in Dutch Buffalo Creek. Some people have said why doesn't the Town just put in a carbon filtration system to begin with. First, it is very expensive, approximately \$3.5 million plus engineering fees, and the Town doesn't have the funds to pay for it. Second, if the TOC's are not taken out before the carbon filtration system, the carbon would clog frequently and each time the carbon is replaced it would cost \$60,000. These are costs that would need to be passed on to water customers.

Mr. Holloway asked the Board to approve WesTech as a sole-source supplier and the contract tonight.

3 motions:

1. A motion to approve WesTech as a "sole source" supplier for materials and repairs to the Water Treatment Plant was made by Commissioner Furr with a second by Commissioner Simpson. All Board Members were in favor. (5-0)
2. A motion to approve the contract with WesTech for \$611,136 to provide materials and labor to retrofit both water basins at the Water Treatment Plant simultaneously was made by Commissioner Furr with a second by Commissioner Carter. All Board Members were in favor. (5-0)
3. A motion to allow the Town Manager to execute any paperwork associated with this project was made by Commissioner Furr with a second by Commissioner Meadows. All Board Members were in favor. (5-0)

B. Consider implementing a "Repetitive Service Calls" charge to the Fees & Charges Schedule.

Town Staff recommends adding a "Repetitive Service Calls" charge to the Fees & Charges Schedule for more than 2 calls to a service address for the same issue. This would apply only to issues where the residents are at fault for not following guidance given by Public Works or Town Staff to prevent service issues. An example of this is a service address that continues to use "flushable wipes" when they have been instructed not to use them since they are not biodegradable to prevent sewer clogs.

Suggested for Fees & Charges Schedule:

"Repetitive Service Calls" are calls to the same address for a reason that can be corrected by resident following guidance given by Public Works or Town Staff to prevent service issues. This does not include service calls for regular usage or maintenance issues needed for trouble-free use of Town utilities within the Town's utility easement/right-of-way.

Fees for "Repetitive Service Calls" would be as follows:

- 1st call: verbal warning which will be documented on account
- 2nd call: verbal warning followed by written warning mailed to billing address
- 3rd and 4th call: \$100 fee added to utility bill for each occurrence
- 5th and following calls: \$500 fee added to utility bill for each occurrence

Public Works will only jet sewer lines that are within the Town's utility easement/right-of-way and not on private property. Water and/or sewer lines not within the utility easement or street right-of-way are considered private property and will need to be repaired by a plumber of the residents choosing at their expense."

The Board suggested if there were multiple issues at a residence and the resident was issued warnings/fines for "Repetitive Service Calls" and then the calls stop for 24 months straight, then Staff should start over on the 25th month by giving a "first call" warning on the "Repetitive Service Calls". These fees are not to recoup all the costs for going to the location, but to recover partial costs, and, hopefully, give guidance to the resident to correct the on-going issue.

A motion to add a "Repetitive Service Calls" charge to the Fees & Charges Schedule with a rolling 24-month timeline was made by Commissioner Simpson with a second by Commissioner Meadows. All Board Members were in favor. (5-0)

7. New Business

A. Receive an update concerning the Water Distribution Improvements Project and the Lower Adams Creek Sewer Outfall Project.

Mr. Holloway and Ms. Burris reported that Town Staff, LKC Engineering, Elite Infrastructure Group, and State Utility Contractors met last week for the preconstruction meetings. The Water Distribution Improvements Project will start this week according to State Utility Contractors with three crews: Crew 1 will start on Cook St at the new Cabarrus County Library/Active Living Center on Washington St. and work towards North Main Street then moving towards North Drive while Crew 2 will start on Hwy 49 at Empire Drive working towards North Drive and then on Franklin St. Crew 3 is a tie in and restoration crew to clean-up behind the waterlines being installed. State Utility Contractors is planning to complete the entire project by the end of the year 2025. The contractors will give residents notice if there is a planned water interruption and will try to turn water off only while most people are at work/school to reduce the inconvenience; however, there may be instances where water flow is interrupted without notice. During the project North Main Street will not be completely closed to traffic but may be temporarily reduced to one lane at times. Commissioners would like to encourage people not to park on North Main Street during the construction.

Elite Infrastructure Group will begin the Lower Adams Creek Sewer Outfall Project on March 3rd and will have very little impact on residents since most of the work is away from streets. Their contractors expect to complete the project by, if not before, March of 2026. When the Lower Adams Creek Sewer Outfall Project is completed, it will decommission the Summer Street and Pasture Pump Stations since it is a gravity sewer line. This will eliminate the two biggest problems with the Town's sewer system.

8. Adjournment

With nothing else to come before the Board, Commissioner Meadows made a motion to adjourn. Commissioner Furr seconded the motion. All Board Members were in favor. (5-0)

Mayor Lapish reminded Board members that the Budget Workshop will be on Saturday, March 22nd.

By our signatures, the following minutes were approved as submitted on Tuesday, March 11, 2025 in the Regular Meeting.

Town Clerk Amy Schueneman

Mayor Tony Lapish

MOUNT PLEASANT

EST. 1859

NORTH CAROLINA

RESOLUTION ADOPTING THE CABARRUS STANLY UNION REGIONAL HAZARD MITIGATION PLAN

WHEREAS, the citizens and property within the Town of Mount Pleasant are subject to the effects of natural hazards that pose threats to lives and cause damage to property, and with the knowledge and experience that certain areas of the county are particularly vulnerable to drought, extreme heat, hailstorm, hurricane and tropical storm, lightning, thunderstorm wind/high wind, tornado, winter storm and freeze, flood, hazardous material incident, and wildfire; and

WHEREAS, the Town desires to seek ways to mitigate the impact of identified hazard risks; and

WHEREAS, the Legislature of the State of North Carolina has in Article 5, Section 160D-501 of Chapter 160D of the North Carolina General Statutes, delegated to local governmental units the responsibility to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the Legislature of the State of North Carolina has enacted General Statute Section 166A-19.41 (*State emergency assistance funds*) which provides that for a state of emergency declared pursuant to G.S. 166A-19.20(a) after the deadline established by the Federal Emergency Management Agency pursuant to the Disaster Mitigation Act of 2002, P.L. 106-390, the eligible entity shall have a hazard mitigation plan approved pursuant to the Stafford Act; and.

WHEREAS, Section 322 of the Federal Disaster Mitigation Act of 2000 states that local governments must develop an All-Hazards Mitigation Plan in order to be eligible to receive future Hazard Mitigation Grant Program Funds and other disaster-related assistance funding and that said Plan must be updated and adopted within a five year cycle; and

WHEREAS, the Town has performed a comprehensive review and evaluation of each section of the previously approved Hazard Mitigation Plan and has updated the said plan as required under regulations at 44 CFR Part 201 and according to guidance issued by the Federal Emergency Management Agency and the North Carolina Division of Emergency Management.

TOWN OF MOUNT PLEASANT

An equal opportunity provider, employer, and lender.

8590 Park Drive | PO Box 787 | Mount Pleasant, NC 28124 | 704.436.9800 | mtplesantnc.gov

WHEREAS, it is the intent of the Board of Commissioners of the Town of Mount Pleasant to fulfill this obligation in order that the County will be eligible for federal and state assistance in the event that a state of disaster is declared for a hazard event affecting the County;

NOW, THEREFORE, be it resolved that the Board of Commissioners of Town of Mount Pleasant hereby:

1. Adopts the Cabarrus Stanly Union Regional Hazard Mitigation Plan.
2. Vests Town Emergency Management with the responsibility, authority, and the means to:
 - (a) Inform all concerned parties of this action.
 - (b) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map and identify floodplain areas, and cooperate with neighboring communities with respect to management of adjoining floodplain areas in order to prevent exacerbation of existing hazard impacts.
3. Appoints Town Emergency Management to assure that the Hazard Mitigation Plan is reviewed annually and every five years as specified in the Plan to assure that the Plan is in compliance with all State and Federal regulations and that any needed revisions or amendments to the Plan are developed and presented to the Town of Mount Pleasant Board of Commissioners for consideration.
4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the Hazard Mitigation Plan.

Adopted this 11th day of March, 2025.

Resolution Granting the Opening of a New Savings Account with Authorized Signers, Opening of Capital Reserve in FMS, and Move Funds to Capital Reserve from General Fund

WHEREAS, the Town Board of Commissioners approved the FY24/25 Budget at the June 24, 2024 Town Board meeting; and

WHEREAS, a budget line item for "Fire Department Personnel Capital Reserve" was established to help reserve funds for full-time firefighters as the Town moves from a combination volunteer/paid department to a career department within the next few years.

BE IT RESOLVED, that the Town of Mount Pleasant Board of Commissioners hereby designates First Bank to open a new savings account titled "**FD-Personnel Capital Reserve**" under our Federal EIN #56-6001297, and that Town Manager-Terry R Holloway, Assistant Town Manager- Erin Burris, Finance Officer- Amy Schueneman, Human Resource Director- Crystal Smith, and Senior Customer Service- Jennifer Blake, and successors so titled, be authorized effective March 11, 2025 to execute the opening of the account, the ability to manage the account, and authorization to sign checks and/or move funds among all accounts for the Town of Mount Pleasant.

In addition, the Finance Officer, Amy Schueneman, and successors so titled, will have permission to open the savings account with the same name in FMS software, as well as have the Boards permission to move the money from the General Fund Checking account to open the new savings account and to use funds for personnel cost when full-time firefighters are on staff. When the funds are depleted in the savings account, the Finance Officer will have the authority to close the account at the bank

BE IT FURTHER RESOLVED that such evidence of debt, checks, and drafts will be signed or authorized by any two of said officials.

This the 11th day of March, 2025.

Mayor Tony Lapis

MEMORANDUM

To: Mayor and Town Board
From: Randy Holloway, Town Manager
Date: March 11, 2025
RE: Manager's report for February 2025

Please find listed below an update / overview for the month of February 2025

- Continued working with Staff and three engineering firms to select the best options for dealing with the ongoing water treatment issues. We have Utility Services conducting an inspection of the ground storage tank in order to give us a report on the condition of that tank that was built in 1970. We may move the final chlorine injection point to the ground storage tank after the water treatment plant renovations are completed. This item continues to occupy the majority of my time.
- Participated in a meeting with Cabarrus County Schools to discuss the ongoing water treatment issues.
- Participated in the pre-construction meetings for the Adams Creek sewer project and the water line projects.
- Participated in a meeting with the City of Concord to discuss using the Concord water connection during the renovation project at the Water Treatment Plant. The meeting went well, and we will be conducting some testing in the near future to make sure the connection will provide an adequate water supply to all our customers.
- Continued worked with Staff to keep the State funded sidewalk project and the North Washington Drive projects moving forward.
- Continued worked with Staff to keep the comprehensive planning update moving forward.
- Participated in the monthly USDA update meeting and obtained the easement for the Food Lion pump station without having to go to condemnation on the adjacent private property.
- Attended the monthly meeting of WSACC.

**Planning, Economic Development, & Infrastructure Projects
March 11, 2025**

Active Planning & Zoning Cases

SUB 2025-01 N. Main Street Infill Subdivision

Description: Preliminary plat for proposed 15-lot infill subdivision on N. Main Street.

Location: 800 N. Main Street

Current Zoning: RM Residential Medium Density

Area: approx. 7.5 acres

Estimated Sewer Capacity Usage: 3,375 gpd

Current Status: Preliminary Plat currently under review by Technical Review Committee. Tentatively scheduled for April 28 Planning and Zoning Board (administrative review to ensure compliance with regulations of Mount Pleasant Development Ordinance).

REZ 2025-02 8563 E. Franklin Street

Description: Request to rezone Town-owned property to improve nonconforming lot dimensions ahead of Washington Street widening to facilitate the moving of historic mill house.

Location: 8563 E. Franklin St.

Cabarrus County Parcel Number(s): 5670-32-1905

Current Zoning: RM Residential Medium Density

Proposed Zoning: RH Residential High Density

Area: 0.31 acres

Estimated Sewer Capacity Usage: n/a-Existing house.

Current Status: Structure currently being evaluated to determine if it can be moved. Tentatively scheduled for March 24 Planning & Zoning Board meeting.

REZ 2025-01 McKenzie ETJ Removal

Description: Request to remove property from the edge of the Town's ETJ to apply County zoning instead.

Location: 375 Mount Pleasant Road N.

Cabarrus County Parcel Number(s): 5671-02-9051

Current Zoning: Town of Mount Pleasant AG (Agricultural)

Proposed Zoning: Cabarrus County AO (Agricultural/Open Space)

Area: 2.8 acres

Estimated Sewer Capacity Usage: No sewer, septic proposed.

Current Status: Scheduled for Planning & Zoning recommendation at January 27 meeting. Scheduled for March 11 Town Board Meeting.

SITE 2024-01 Uwharrie Bank (SUP 2024-01 and ADP 2024-01-Revised)

Description: Construction of new approximately 6,000sf bank building

Location: 8320 W. Franklin St.

Cabarrus County Parcel Number(s): 5670-13-6357

Current Zoning: CC Center City

Area: 3.707 acres (approximately 1 acre portion of site to be used)

Estimated Sewer Capacity Usage: existing tap for previous building

Current Status: Board of Adjustment approved at February 24 meeting.

SITE 2022-04 Highway 49 Mini-Storage

Description: Site Plan for 10 acres of mini storage (site area 11.27 acres), including 20 storage buildings totaling 98,100 square feet

Location: 8830 NC Highway 49 N

Cabarrus County Parcel Number(s): 5670-47-4622

Current Zoning: I-1 Light Industrial

Area: 11.27 acres

Estimated Sewer Capacity Usage: 0gpd

Current Status: Zoning approval pending.

SITE 2023-02 Parking Lot (corner of E. Franklin St. and Eastover Dr.)

Description: Site plan for commercial parking lot

Location: 8860 E. Franklin Street

Cabarrus County Parcel Number(s): 5670-42-6218

Zoning: C-1 Light Commercial

Area: approx. 0.5 acres

Estimated Sewer Capacity Usage: 0gpd

Current Status: Temporary Certificate of Compliance issued. Trench drain, asphalt repairs, and ground cover installation to be completed.

SUB 2020-03 Brighton Park

Description: 178-lot single-family subdivision with community clubhouse and pool. Plans for development of this property were originally initiated in 2008.

Applicant: Niblock Homes

Location: Southwest corner of NC Highway 73 and NC Highway 49

Cabarrus County Parcel Number: 5660-56-4096, 6785, 8647, & 9681

Zoning: RM Residential Medium Density

Area: approx. 86.77 acres

Density: 2.05 dwelling units per acre

Estimated Sewer Capacity Usage: 28,560gpd for first three phases and 14,160gpd for last two phases (42,720gpd total, allocated in development agreement 6/17/2022)

Current Status: Incomplete improvements bonded and Phase 1 Final Plat recorded.

SUB 2017-01 Green Acres

Description: 37-lot single-family subdivision. Plans for development of this property were originally initiated in 2008.

Location: NC Highway 73 at Sloop Arthur Drive and Green Acres Circle

Cabarrus County Parcel Number(s): 5651-70-6355

Zoning: RM CZ Conditional Residential Medium Density

Area: approx. 14.92 acres

Density: 2.28 dwelling units per acre

Estimated Sewer Capacity Usage: 8,880gpd (allocated in development agreement 7/12/2022)

Current Status: Final Plat received. Awaiting bond list.

Code of Ordinances

Part 2 Government and Administration has been codified and approved by the Town Board and updated on the Town website. Later During Fiscal Year 2024-25, codification and updates to Part 4 Public Works and Part 6 Licensing and Regulation will be completed.

Infrastructure

- The WSACC Wastewater Capacity Distribution #12 Memo dated January 28, 2025 shows that Mount Pleasant has a total of 120,155gpd of allocation. Distribution #12 added 3,582gpd to Mount Pleasant's allocation. The Town's updated sewer allocation spreadsheet shows 18,960 gpd of non-strategic reserve (equivalent of 84 homes) and 10,000gpd of strategic reserve remaining to be allocated through the 30MGD Rocky River Regional Wastewater Treatment Plant (RRWWTP) expansion.
- Work is nearing completion on Empire Drive Sewer Pump Station and sewer line utilizing a USDA loan. There were delays due to rock under Highway 49. Sewer line and manhole replacement on A, B, C, Wade, and Reid Streets began August and will be completed by the end of December 2024. Visit www.mpncfuture.com.
- The Town's Water Distribution Line project being installed by State Utility is scheduled to begin February 10, 2025 with an estimated completion by the end of year. The Lower Adams Creek Sewer Interceptor project being installed by Elite Infrastructure Group is scheduled to begin March 3, 2025 with an estimated completion by March 2026. Project updates will be posted on www.mpncfuture.com. Information about road closures and service interruptions will be posted on social media. Planned service interruptions will also have door hanger notifications.
- Volkert Engineering is currently working on the engineering for the N. Washington Street Sidewalk/Curb & Gutter project. Engineering is nearing completion and under review by NCDOT. Town staff is working to get the mill house at the corner with E. Franklin Street moved over 10-12 feet in preparation for the project.
- Staff submitted Congestion Mitigation and Air Quality Grant (CMAQ) applications for the sidewalk projects in the Bicycle & Pedestrian Project Acceleration Plan. The two W. Franklin Street segments and E. Franklin Street segment were included in front-loaded funding requested for CMAQ/CRP funding by the MPO and the Town received a \$2.7 million directed grant from the state for sidewalk installation. Staff is currently working with NCDOT to design and administer one or more sidewalk segments on behalf of the Town.
- McAdams Engineering is working on the engineering drawings for downtown stormwater improvements. The drawings are currently under review by NCDOT.
- McAdams Engineering completed a draft conceptual plan for parking and streetscape improvements in the southwest quadrant of downtown. This will facilitate coordination with adjacent property owners and businesses and provide the information needed to apply for funding. McAdams Engineering has prepared scope of work for engineering that the staff is currently reviewing.
- The Town was selected to move forward in the FEMA Building Resilient Infrastructure and Communities (BRIC) grant process. The application includes Downtown utility duct bank installation and conversion and stormwater mitigation as recommended in the downtown stormwater study currently underway. The grant request is for approximately \$4.5 million. The grant match is 12%. Staff is working on revising the Benefit Cost Analysis as requested by FEMA.

Comprehensive Plan Update

- Background information was presented to the Steering Committee at its March 25 meeting.
- A public input survey was available online from the end of April until May 31. The public workshop was held May 21. The survey and workshop were publicized on the Town's website, social media, and in the water bills. Benchmark Planning has prepared draft public input results and analysis that was presented to the Steering Committee its July 29 meeting.
- Greenfield Economic Development consultants have been gathering data for the economic development analysis.
- Draft goals and strategies were presented to the Steering Committee at the September 23 meeting.
- The final draft plan is currently being prepared.

To: Mayor and Town Board of Commissioners

From: Crystal Smith, Human Resources Director

A handwritten signature in blue ink that reads "CWS" is enclosed within a blue oval.

Date: March 2025

Listed below are activities for the month of February 2025.

- Participated in department budget meetings.
- Worked with Finance Director on FY 2025/2026 budget projections
- Worked with Finance Director and Assistant Town Manager on budget presentation slideshow
- Attended virtual Cabarrus Community Planning Council meeting (due to snow)
- Attended virtual Aetna Insurance webinar (medical insurance) for FY 2025/2026 coverage
- Attended February Town Board meeting

Customer Service Area:

- LEAD Line Surveys: Staff continue to collect information as customers call in.
- Three (2) customers were disconnected for non-payment.
- Generated 1288 (which includes 590 ebills) totaling \$120,241.77
- Reminder notification to customers: Staff implemented the reminder notification function on Constant Contact. 173 customers received either email/text notification with 90% opening the notification.

Constant Contact Update:

- Statistics from February Bill: 573 sent, 397 opened, 92 clicked on links, 13 bounced back (email changes, etc.) and 176 people did not open

Human Resources Area:

- No new employees hired during February

Events:

- Continued planning process for the Independence Celebration, which is Saturday, June 28, 2025

MEMORANDUM

To: Mayor and Town Board

From: Derek Linker, Public Works

Date: March 11, 2025

Please find listed below an update / overview for the month of February 2025

New:

- Completed monthly meter reads
- Water Cut-Offs
- Responded to 0 pump station alarm calls
- Responded to 4 after hour customer calls
- Picked up 10 dump truck loads of brush which equals 120 cubic yards of brush
- Completed 26 work orders for various issues
- Installed new water tap at 4430 Laurelwood court
- Repaired two 2in.main leaks on Seneca Rd.
- Changed out 44 water meters

Ongoing:

- Public works mows and maintains approximately 18 acres each week to biweekly depending on conditions as well as ground maintenance at all 8 of our sewer pump stations
- 8 pump stations are checked once a week which included a visit to each station checking dialer status and recording run times. Alarm floats are pulled and checked and stations cleaned monthly in accordance to NC DWQ standards
- Weekly Chlorine monitoring is done on Mondays and consists of pulling samples from 5 different sites which change every other week
- Due to the volume of brush/yard debris collection typically takes 1 to 1.5 days of the week especially during leaf season

Mayor and Commissioner's,

-We responded to 98 incidents in February 2025.

-Met with Cabarrus County Fire Marshals Office and flowed the new hydrants in Brighten Park to verify all the valves were open and functioning.

-Met with Staff for initial budget meetings

-Two firefighters joined and will be working part time. They both work full time at Harrisburg Fire Dept.

-E2 takes a long time to build air pressure. Parts have been ordered, and we are awaiting their arrival.

-No other mechanical issues to report.

As always thank you for your continued support.

Dustin Sneed
Fire Chief
Mt. Pleasant Fire Dept.

Cabarrus County Sheriff's Office

253 / Mt. Pleasant

Carol Link Soles, Director

Cabarrus County Board of Elections

February 13, 2025

To: Amy Schueneman, Town Clerk
Town of Mt. Pleasant

From: Carol Link Soles, Director
Cabarrus County Board of Elections

Re: 2025 Municipal Election estimates/filing dates

Please note the General Election for the Town of Mt. Pleasant will be held November 4, 2025. The approximate cost to Mt. Pleasant for their General Election in November will be \$8,318.00. Be assured, as in the past, we will try to keep this cost down and pro-rate where possible.

Candidate filing opens Monday, July 7, 2025 at 8:00 AM and closes Friday, July 18, 2025 at 12 o'clock noon.

Since we have many inquiries as to the cost to file, it would be helpful to our office if you would inform us of the filing fee as soon as possible. The filing fee as stated in §163-294.2 (e) shall be fixed by the governing board. The governing board shall have the authority to set the filing fee at not less than five dollars nor more than one percent of the annual salary of the office sought unless one percent of the annual salary of the office sought is less than five dollars, in which case the minimum filing fee of five dollars will be charged.

Finally, if there have been any town charter changes, please send a copy to me.

Do not hesitate to call this office if I can be of assistance to you.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2025

H.B. 271
Mar 3, 2025
HOUSE PRINCIPAL CLERK
D

H

HOUSE BILL DRH10072-LUe-9A

Short Title: Partisan Elections/Muni./Cabarrus Co. (Local)

Sponsors: Representative Echevarria.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO PROVIDE THAT REGULAR MUNICIPAL ELECTIONS FOR
3 MUNICIPALITIES IN CABARRUS COUNTY SHALL BE CONDUCTED ON A
4 PARTISAN BASIS AND TO PROVIDE THAT ONLY VOTERS RESIDING IN THE
5 DISTRICT THE CITY COUNCIL MEMBER REPRESENTS SHALL VOTE FOR THAT
6 MEMBER IN THE CITY OF CONCORD.

7 The General Assembly of North Carolina enacts:

8 **SECTION 1.(a)** Section 3.1 of the Charter of the City of Concord, being Chapter
9 861 of the 1985 Session Laws, as amended by Ordinance No. 1995-02-09, adopted February 9,
10 1995, and Ordinance No. 96-105, adopted November 14, 1996, reads as rewritten:

11 "Sec. 3.1. Regular municipal elections; conduct and method of election. Pursuant to G.S.
12 160A-101, the Charter of the City of Concord, as set forth in Chapter 861 of the 1985 Session
13 Laws of North Carolina, as amended, is hereby further amended to implement nonpartisan
14 plurality for elections (G.S. 163-292) of the City Board of Aldermen [city council].Beginning in
15 2025, regular municipal elections shall be held in the city every odd-numbered year and shall be
16 conducted in accordance with the uniform municipal election laws of North Carolina. The Mayor
17 and the City Council shall be elected according to the partisan election method, as provided in
18 G.S. 163-291. In 2025, and quadrennially thereafter, the Mayor and three council members, who
19 shall represent Districts 3, 4, and 5, shall be nominated and elected for four-year terms. In 2027,
20 and quadrennially thereafter, four council members, who shall represent Districts 1, 2, 6, and 7,
21 shall be nominated and elected for four-year terms."

22 **SECTION 1.(b)** Section 3.2 of the Charter of the City of Concord, being Chapter
23 861 of the 1985 Session Laws, as amended by Ordinance No. 96-105, adopted November 14,
24 1996, and Ordinance No. 02-11, adopted April 11, 2002, reads as rewritten:

25 "Sec. 3.2. Election of the Mayor and City Council. (a) The Mayor shall be nominated and
26 elected by all the voters of the city voting at large.

27 (b) The City Council shall consist of seven members serving staggered four-year terms and
28 each member shall reside in and represent a district of the city ~~but shall be nominated and elected~~
29 ~~by all the voters of the city voting at large.~~ city. Only the qualified voters residing in that district
30 may vote for the member from that district."

31 **SECTION 2.** Section 4.1 of the Charter of the Town of Harrisburg, being Chapter
32 111 of the 1973 Session Laws, as amended by Town Ordinance adopted on July 13, 2015, reads
33 as rewritten:

34 "Sec. 4.1. Regular Municipal Elections. Regular municipal elections shall be held on the
35 Tuesday after the first Monday in November of each odd-numbered year, beginning in 1973.
36 ~~Council members shall be elected on a nonpartisan basis and the results determined by plurality,~~

1 ~~as approved in the North Carolina General Statutes. Town officers shall be elected according to~~
2 ~~the partisan election method, as provided in G.S. 163-291."~~

3 **SECTION 3.** Section 4-1 of the Charter of the City of Kannapolis, as adopted by the
4 Kannapolis Charter Commission on December 11, 1984, pursuant to Chapter 191 of the 1983
5 Session Laws, reads as rewritten:

6 "Sec. 4-1. **Conduct of city elections.** City officers shall be elected on a ~~non-partisan basis~~
7 ~~and the results determined by plurality, as provided in the North Carolina General Statutes,~~
8 ~~Chapter 163, Section 292, partisan basis, as provided in G.S. 163-291."~~

9 **SECTION 4.** Section 4.1 of the Charter of the Town of Midland, being S.L. 2000-91,
10 reads as rewritten:

11 "Section 4.1. **Conduct of Town Elections.** Regular municipal elections shall be held in each
12 odd-numbered year in accordance with the uniform municipal election laws of North Carolina.
13 Elections shall be conducted on a ~~nonpartisan basis and results determined by a plurality as~~
14 ~~provided in G.S. 163-292, partisan basis, as provided in G.S. 163-291."~~

15 **SECTION 5.** Section C-3.2 of the Charter of the Town of Mount Pleasant, being
16 Chapter 77 of the Private Laws of 1883, as amended by Town Ordinance adopted on February
17 11, 2019, reads as rewritten:

18 "Section C-3.2. Manner of Election; Term of Office The qualified voters of the entire Town
19 shall elect the Mayor and members of the Town Board of Commissioners that shall serve
20 staggered four (4) year terms. ~~Nonpartisan plurality elections~~ Elections shall take place every
21 two years, in odd-numbered years, with three commissioners being elected during one election
22 cycle, and two commissioners and the Mayor during the next election cycle, and so on. Town
23 officers shall be elected according to the partisan election method, as provided in G.S. 163-291.
24 Absentee ballots are permitted pursuant to Board of Elections requirements. The present Mayor,
25 Commissioners and other officers of Mount Pleasant shall hold said offices with all the powers,
26 privileges, rights and responsibilities which this charter and the former charter conferred until
27 their successors are elected or appointed and qualified."

28 **SECTION 6.** This act shall have the effect of repealing any conflicting provisions
29 of local or special acts or conflicting local ordinances relating to the nonpartisan municipal
30 elections for any municipalities covered by this act. This act shall not affect the filling of a
31 vacancy in a municipal election that occurs for a seat elected prior to the effective date of this
32 act.

33 **SECTION 7.** Except as otherwise provided, this act is effective when it becomes law
34 and applies to elections held in 2025 and thereafter.
